### *Why Subscribe to the WRHS Genealogy Bulletin?*

The *Bulletin* has been produced quarterly since 1982 by the WRHS Genealogical Committee. Each issue contains how-to-do-it articles, research case studies, announcements of genealogical seminars and meetings, a listing of genealogical collection recently acquired by the WRHS Library/Archives & Genealogy Center and numerous other articles pertaining to genealogy.

Technology has changed greatly 30 years and it is time for us to embrace the cost-savings that would result if we moved subscriptions from USPS to e-mail. We would much prefer to use those dollars towards acquisitions for the Library.

If you are willing to accept future issues via e-mail, please so indicate below.

*Subscription price is only \$5.00 per year via e-mail*
